INTERESTING FACTS LAWYER'S

Remarks By An Observer.

"It seems strange to me," remarked a prominent physician the other day, "why in many respects, one of the most dangerous diseases -Grip. Scores of people whom I know seem to regard this deadly malady as a joke or call it fashion-

"Possibly there is no disease that is as far reaching in its effects as this same 'fashionable' Grip. Fashionable indeed! When I stop to think of the appalling results of Grip that have come under my observation, it makes me shudder. Must Be Tried on Facts—Thus to De-Would you consider it 'fashionable' to have a weak heart, affected lungs or impaired eyesight? Would it be a joke to spend the femainder of your days in an insane asylum? These are not mere fancies; they are pictures drawn from life showing the awful results from Grip. Of course all persons suffering from an attack of Grip are not left with these afflictions, but I have yet to discover a person who has had this disease who has not been left with some portion of his system weakened. It is this weak spot that is susceptible to every un-healthy influence that comes along. The best way to prevent Grip is to keep the system in such good condition that it will throw off any tendencies toward

The best way to fortify yourself against Grip is to take Magee's (Malt) Emulaion. It gives you the strength and vitality necessary to stand severe weather, and can always be depended upon. It is a nutrient of the highest value, and after a period of low vitality it puts hope into the patient and makes life worth living. It replaces the wasted tissues and holds all gains.

this prevalent disease."

Magee's (Malt) Emulsion is a pure cod liver oil, combined with syrupy diastasic non-alcoholic Malt and Hypophosphites of Lime and Soda. Cod Liver Oil has long been recognized by the medical profession as the best remedy for Bron-chial and Pulmonary affections and in Magee's you get the pure article in com-bination with the Malt and Hypophos-phites. Diastasic Malt Extract, such as is used in Magee's (Malt) Emulsion, is non-alcoholic and is regarded by phy-sicians as the highest form of food. You thus get food, a medicine and a tonic combined. Magee's (Malt) Emulsion is the greatest flesh builder and invigorator known It strengthens the weak and imparts vitality to the most deli-cate invalut. Don't delay—it's danger-

ous; start taking it today. Beware of the wine preparations. They are only artificial stimulants and the reaction which follows their use eaves you in a worse condition than There is only one Magee's Emulsion and it contains no whiskey-no wine-just food.

cide as to Packers' Immunity-Attorneys Fail to Secure Agreement.

Chicago, Ill., Jan. 30 .- All efforts to reach an agreement upon the facts at issue having failed, the packers' case was resumed yesterday and the taking of ev-

13, 1905, when the packers allege Mr. Garfield said certain things, the import of which was that if he received the information for which he asked, the packers should never be prosecuted crim-

Mr. Krauthoff was asked by John S Miller, attorney for Armour & Co., if he had advised his clients with respect to their attitude during the investiga-tion called for by the Martin resolution passed by Congress, and under which commissioner of corporations began his inquiry into the packing industry. District Attorney Morrison objected to the question and was sustained by Judge

Mr. Miller then asked the witness if he had advised his clients under the resolution. The district attorney again objected, declaring all that could be inquired into was what transpired between the packers and the officers of the gov ernment. Judge Humphrey submitted the question, declaring that if it were true that the packers divulged evidence against themselves under pressure from the government, it would be competent to show the nature of the legal advice under which the defendants were act-

ADRIFT 4 DAYS IN AN OPEN DORY

Two Fishermen Were All That Time Without Food or Water

ONE OF THEM WENT MAD

Lost in a Fog on the Banks Last Tuesday-Huge Wave Carried Away Their Oars and Swept One Overboard.

Boston, Jan. 30.—The last two men of the eighteen lost by the fishing schooner Quannapowitt on the Great Banks early last week were brought here vesterday on another schooner, both being in a critical condition from experiences more terrible than any reently reported from the fishing grounds The men were Charles Matheson of this city, and Charles Hemeon of Shelburne, N. S. They were adrift in their dory for four days without food or drink. When rescued, Hemeon was lying in the bottom of the boat apparently dead, and Matheson was so nearly in a state of unconsciousness that he could not speak. Matheson said Hemeon had been overboard twice and had been rescued by him. They were two hun-dred miles from the grounds on which they went astray.

Falls in Love Forty Feet.

William Venning fell in love. It was a hard fall of forty feet. When he landed his left wrist was broken and he was bruised about the body. But he was not heartbroken.

Vennington is a mehinist employed by the Semet-Solvay Coke company in So.
Chicago. While riveting some steam pipes yeaterday his mind wandered to a South Chicago maiden whose name he would not disclose.

"I was walking along carelessly way up on that high pipe line," he said to the doctor afterward, "and wendering if the girl really did love me, when

if the girl really did love me, when my spirits took an awful tumble, and my body, too. I forgot I was living until I woke up in the ambulance.

of his locomotives while the engineer was busy oiling. When the engineer returned to the cab President Gentry pointed to the steam guage, which stood at 160, and asked: "I guess when she hears I'm in the hospital I'll soon find out whether she loves me or not," he added. "I'm thankful my right arm is still useful, so that

can write and tell her all about it." This is the only explanation Venning or anyone else can give as to how he fell from the steam pipes on which he was working.—Chicago Tribune.
